- "Thank you for the referral to "dryit". They were phenomenal. Very customer service friendly, on time and efficient. They are keepers as far as I am concerned."
- "Jack, floor cleaners did a fabulous job. I've never seen this place so clean. They actually got on their hands and knees and vacuumed corners. They went out of their way to accommodate us too. Thought you should know they are A++."
- "Thank you so much for helping us with the carpet cleaning. You did an amazing job. Everyone that has seen it can't believe that it's the same carpet. Your guys were very kind and professional."
- "While we are your customer, you delivered beyond expectations yesterday and I really appreciate it."
- "Thank you for the great service these last five years. In this day and age when customer service is almost a thing of the past, it is nice to have a company like Dryit that always strives to deliver the highest level of customer satisfaction."
- "I would like to thank your company for the outstanding service we received during a recent water leak. Your company technicians were on site within an hour of being called. The next morning your Account Manager came down immediately and walked the property. He made recommendations regarding what work was needed and solutions to clean, deodorize, and disinfect the affected areas. We appreciate the hard work, cooperation, responsiveness and pleasant attitude displayed by your staff."
- "A recent Carpet Fungal Sampling check showed high levels of Fungal Spore Counts in the area you suspected. Please clean, disinfect, deodorize, etc. all carpeted areas and chairs in this area. Thank you for calling this to our attention."
- "Jerry, I spoke to Jennifer this morning and she confirmed that her chairs were cleaned and she noticed right away that the walls had also been cleaned. Your staff doing the work even fixed/tightened up the screws on a bookcase in Jennifer's office. They went above and beyond and we thank you very much. I am very pleased with the work."

Okay, we're tipp'n our hat a bit...but only because we're different than most service companies of today. Our business formula is simple...

***putting our customer's best interests first
+ delivering more than what was promised***

= fair profit and repeat business.
